In re: Starobin et al.

Application Serial No.: 10/625,133

Filed: July 23, 2003

For: ***Method and System for Evaluating Cardiac Ischemia Based on Heart Rate Fluctuations***

Group Art Unit: Not Yet Assigned

Examiner: Not Yet Assigned

Date: December 11, 2003

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

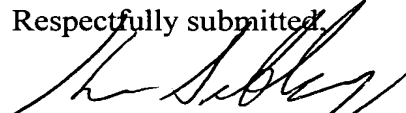

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Sir:

Attached is a list of documents on Form PTO-1449, together with a copy of any listed foreign patent document and/or non-patent literature. A copy of any listed U.S. patent and/or U.S. patent application publication is not provided herewith in accordance with the waiver by the U.S. Patent and Trademark Office of requirements under 37 C.F.R. § 1.98(a)(2)(i) for all U.S. national patent applications filed after June 30, 2003 and for all international applications that have entered the national stage under 35 USC § 371 after June 30, 2003.

It is requested that these documents be considered by the Examiner and officially made of record in accordance with the provisions of 37 C.F.R. § 1.56 and Section 609 of the MPEP. No fee is believed due. However, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account No. 50-0220.

Respectfully submitted,

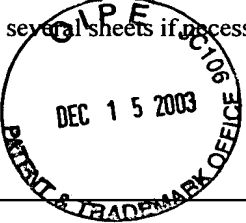

Kenneth D. Sibley
Registration No. 31,665
